How it works

1. **Pick a package**
   Try the demo at trabelo-tau.vercel.app/trabelo-fc.html
2. **Fill in the club brief**
   One form with everything I need. It saves as you go.
3. **Committee says yes**
   An email from your chair, secretary or treasurer.
4. **Short agreement**
   Two pages, plain English. "I agree" by email counts.
5. **I build it**
   On a private preview link only you can see.
6. **You ask for changes**
   Two rounds included.
7. **You say "go live"**
   One invoice for what's left, paid from the club account.
8. **It's yours**
   Live on your web address, every account in your club's name.
